April 23, 2026

Dear Parents and Guardians,

You are cordially invited to the 67th Annual Review of Squadron 686 Dorval–Lachine, which will take place on Sunday, May 24, 2026. Our guest of honour for the occasion will be Lieutenant-General (Retired) Yvan Blondin, CMM, CD. The Air Cadet League representative will be Mr. Mohammed-Eid Alsaieq.

The ceremony will begin at 2:00 p.m. and will be held at Lakeside Academy, located at 5050 Sherbrooke Street, Lachine, Quebec H8T 1H8 (entrance via the back door).

This event provides our cadets with the opportunity to showcase the skills and knowledge they have developed throughout the year. It also allows us to recognize their commitment and to reward those who have particularly distinguished themselves through trophies, plaques, and medals.

The ceremony will also include demonstrations performed by the cadets and will conclude with a visit to the kiosks they have prepared themselves to showcase the various activities and learning experiences from the year.

We look forward to welcoming you on this day and extend our best regards.
